Cumulative Rights. Except as otherwise provided herein, no rights or remedies of Miri Africa in these Terms of Use are exclusive, but are cumulative of all other rights and remedies.

Assignment. The rights and obligation of Miri Africa under these Terms of Use may be assigned or delegated, in whole or in part, by Miri Africa to an affiliate or a third party in connection with a merger, acquisition, reorganization, or sale of assets. You may not assign or delegate these Terms of Use, in whole or in part, and any attempt to do so will be null and void.

Construction. In these Terms of Use, unless otherwise specified: (i) "herein," hereof," "hereunder," "hereto," and similar terms, refer to these Terms of Use as a whole and not merely to the specific section, paragraph or clause in which the respective word appears; (ii) any defined terms may, unless the context otherwise requires, be used in the singular or the plural; (iii) "or" connotes any combination of all or any of the items listed; and (iv)

where “including,” “include” or “includes” is used to refer to an example or begins a list of items, such example or list shall not be exclusive...:

No Third Party Beneficiaries. Except for Miri Africa’s affiliates, and the suppliers and vendors that support the Site, there are no third party beneficiaries of these Terms of Use.

Headings. Headings and captions contained in these Terms of Use are included for convenience only, and are not intended to define or govern the interpretation of any section or provision hereof.

Waiver. The failure of Miri Africa to exercise or enforce any right or provision of these Terms of Use shall not constitute a waiver of such right or provision, and no waiver by Miri Africa of a breach or default hereunder shall be deemed to be a waiver of any preceding or subsequent breach or default.

Severability of Terms. If any provision of these Terms of Use is found by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, such provision shall be deemed deleted from the Terms of Use and replaced with a provision that approximates, as nearly as possible, the intent of the offending provision while remaining valid, legal and enforceable. All other provisions of these Terms of Use shall remain in full force and effect. The following provisions of this Agreement shall survive termination of your use or access to the Site: the sections concerning Indemnification, Disclaimer of Warranties, Limitation of Liability, Waiver, Applicable Law and Dispute Resolution, and General Provisions, and any other provision that by its terms survives termination of your use or access to the Site.
